- Call termination is the receiving of a call to a call answer point. A call answer point is a nominated business phone service or mobile.
- ECN Business Reach 1300 services incur no charges for the first 15 minutes of a received call from the local calling area
- Call charges when a mobile phone is selected for answering point vary. Contact ECN for charges on delivering ECN Reach services to mobile phone answering points.
- Call answering to international phone services is available on request.
- End-Customer product; Service providers and wholesalers contact ECN
- Invoices will be emailed to the nominated Email address.
- The minimum term for ECN Reach services is 12 months. Early cancellation will attract a fee equal to the total monthly recurring charge due for the balance of the minimum term.
